BOARD MEETING

The Richey school board will hold their regular meeting on Wednesday, January 20 at 6:00 PM in the high school library.

The meetings are open to the public and everyone is invited to attend.

DEAR FAMILIES

As we head into the "cold & flu" season, and COVID-19 still on the rise it is important to keep some things in mind for the health and safety of our school and community. If your child/children are not feeling well for any reason, please keep them home and consider keeping any siblings at home. If members of your family are not feeling well, consider keeping your children home also. The school will be able to work with you to help ensure your child/children will stay caught up with their classes.

We are continuing to take temperatures every day. If your child/children or a staff member has a fever, we will be sending them home.

Thank you for continuing to take precautions. Stay safe and healthy. - Richey Schools
