Dear Parents,

I am so excited to have the opportunity to coach elementary boys' basketball for another season! We will be focusing on the fundamentals of basketball: shooting form, dribbling, passing, and defense.

We will begin practice on Monday, January 4th. Our first week of practice will be in Lambert. The next week of practice will be in Richey—we will alternate practice locations like this for our entire season. The school will always provide a bus to transport the athletes to and from practice.

Please make sure your son has had their physical and brings the proper paperwork to our first practice. They will not be allowed to practice until they have had their physical and turned in their appropriate paperwork. They need to wear athletic shorts, a t-shirt, deodorant, and gym shoes to practice. Also, please make sure they have a water bottle. Lambert boys will be expected to wear a mask on the bus to and from practice on weeks when we travel to Richey.

Our season will be short and sweet, or maybe better described as fast and furious! Due to the fact that we have such little time together, players with 2 unexcused absences for practice will be removed from the team.

I am anxious to get started after we all enjoy the Christmas season! Please let me know if you have any questions before we get started or at anytime throughout the season. You can reach me by email or phone using the contact information at the bottom of this letter.

On all bus rides, at every practice, and at all games, players are expected to be following the rules of their school and coach. Please sign and return the attached page indicating that you have read and agree to the guidelines in this letter.

Excited to start,

Nicole Simonsen
